Flu clinics will be announced during August - check your prescription request sheet for details OR poster in the surgery and local chemists.
WELCOME

Jiggins Lane Medical Centre.

This leaflet introduces you to us and the services we offer. We work as a team in order to provide a service that is of the highest possible quality as well as friendly, personal and strictly confidential. General Practitioners and Practice Nurses are happy to help you, as is our Health Visitor for the under-fives. There is also a NHS dentist & Pharmacy (both run independently) based in our building.

Why are you waiting?

Patients are asked to remember our appointment timetables are based around consultations lasting, at longest; ten minutes.

However, longer (double) appointments can be arranged, where appropriate - e.g. if you have more than one illness, or need a detailed physical examination or treatment.

If you think you might need longer with the doctor or nurse, then please inform the receptionist when booking.

OUT OF AREA REGISTRATIONS

This practice currently does not accept “out of area registrations”. This means that we only register patients who live within our practice boundaries. Some patients may feel that this is unfair if they are for instance, healthy, do not visit the doctor often and wish to have appointments at a surgery near their place of work. However we would have to ensure that any such patients have a comprehensive service covering them if they are unwell and are unable to travel to us. At present NHS England are unable to ensure that such a service exists and to accept some patients who are healthy but not others who require more care would be discriminatory.

If you are registered with the practice and move outside our practice area, you will usually be asked to find another practice. Please discuss any change of address with the practice.

Patients Charter

As staff is required to treat patients with courtesy and respect, we also expect patients to treat all members of the Primary Health Care Team with courtesy and respect.

If you have an appointment do your best to keep it or cancel it in advance, the Practice takes missed appointments very seriously.

Inform us of any change of address or telephone number.

Take responsibility for your own health by following our advice on a healthy lifestyle and how to manage your illnesses (for example, by not smoking).

Request home visits where possible before 10am.

Do not smoke on the Practice site.

PRACTICE BOUNDARY/AREA
We will treat patients as individuals with courtesy and respect at all times, irrespective of ethnic origin, religious beliefs, personal attributes or the nature of their health problems.

We will involve patients in decisions about their care.

Patients will be seen by a Health Care Professional within 48 hours.

We will try to keep waiting times to a minimum and we will tell patients of any expected delays to their booked appointment time.

We will ensure that a Doctor can be easily contacted in case of emergency out of hours.

We will provide patients with a Practice leaflet.

The premises will be clean, comfortable and accessible, including facilities for the disabled.

We will offer patients a health check when joining the Practice.

We will ensure that CONFIDENTIALITY will be respected by ALL staff members.

Patients will have access to their medical records, subject to limitations within the law.

Patients will be allowed to choose whether to take part in medical student training.

We will reply promptly to any complaint.

This is a non-smoking Practice.

GP’s and their staff throughout the country are subjected to verbal and physical assaults. The Partners at Jiggins Lane Medical Centre will immediately remove from the list any patients who abuse any member of Staff either verbally or physically.
The Health Care Team

PRACTICE NURSES & HEALTH CARE ASSISTANT

Sharon Cox - RGN Asthma Dip.
Victoria White - RGN
Donna Brookes - RGN
Susan Marsters - RGN
Louise Smith - HCA
Emma Wilde - Phlebotomist

The nursing team are available by appointment.

It may be appropriate to see the Nurse rather than the Doctor.

If you are not sure ask at Reception.

The Nurses are available for:
- Contraceptive and sexual health advice
- Travel vaccinations & childhood immunisations
- Ear syringing
- Asthma checks
- Cervical smears
- High blood pressure reviews
- Weight and diet advice
- Minor injuries
- Dressings and removing stitches
- Help with stopping smoking
- Hormone replacement therapy advice
- They run heart disease and diabetic clinics.
- ECG’s/ABPM

CHAPERONES
The Practice has a policy of offering a chaperone during all intimate examinations. You have the right to ask for a chaperone at any time if the Doctor wishes to examine you.

CARERS
A carer is anyone of any age who regularly helps another person with everyday tasks or provides emotional and/or social support. They can be parents, relatives, friends or neighbours. They may provide full or part-time care or share such care with others.

We are currently compiling a register of carers. If you are a carer please inform Reception. We need to identify all carers ‘i.e.’ those who care for people whether they are Patients of ours or not. The aim of the carers register is to ensure carers have easy access to information which will be of help and support to them.

DATA PROTECTION
We will ensure that information is protected at all times. However, we are a teaching practice and so clinical information may be shared with medical students. If you do not want this to happen, please tell the Receptionists.

SUGGESTIONS/COMPLAINTS
If you have any suggestions or complaints, please contact our Office Manager. All our Receptionists are trained to help with any problems or queries you may have when attending the Medical Centre. Please do not hesitate to ask for any assistance you may need.

Most issues can be resolved without you having to make a formal complaint. Try having an informal chat with your doctor or a member of staff first.

A formal complaint takes time and minor issues are resolved quicker if you just speak to a person on sight. For example, if you have problems booking a GP appointment, speak to the office manager about it. If you are worried about something during your hospital outpatient appointment, talk to one of the nurses or the Office Manager.

E-mail address: katie.moore4@nhs.net
FOI address: www.foi.nhs.uk

There is easy access for wheelchairs, and a hearing loop system provided.
CHD/TIA CLINIC
This is a weekly clinic.

MINOR OPERATIONS
Some minor operations such as joint injections. Please discuss this with your Doctor so that an appointment can be arranged if appropriate.

OVER 75’s CHECKS
Patients over 75 years are asked to book an appointment to see a Health Care Worker at least annually by appointment.

SMOKING CESSATION
Local chemists offer this service

NEW PATIENTS
All newly registered patients will be asked to complete a lifestyle questionnaire and offered an appointment for a new patient health check. You are able to specify a preferred practitioner; however you must understand that an appointment with your preferred choice may depend on availability, appropriateness and reasonableness.

DOCTORS IN TRAINING
Most of the time there is a ‘Registrar’ Doctor attached to the Surgery. The Registrar is a fully qualified Doctor training to become a General Practitioner.

MEDICAL STUDENTS
We have medical students here to learn about our work. You will always be asked whether you are happy to have a student in the room when you see a Doctor. You will not upset anyone if you do not want a student to be present.

As a teaching Practice we often need patients to consult with our students. If you are happy to help out please advise the Reception Staff.

BUSINESS MANAGER– John White
OFFICE MANAGER– Katie Moore

If you have any questions about administration or non medical aspects of your healthcare the Office Manager may be able to help you.

RECEPTION
Helen Murphy,
Ursula Cosgrave,
Tina McCaugherty,
Jayne Jones,
Kate Clifford,
Administrator Carol Moncrieffe.

The Receptionists are your link with the rest of the Practice. The more information you are able to give them the better they will be able to assist you. If you need to discuss anything privately please ask to be taken to a quiet room.

MEDICAL SECRETARIES
Gill Randell
Rebecca Tromans.

They provide a link between the patient, Doctor and hospital. They may need to contact you so please be sure that we have an up-to-date address and telephone number.
OUT OF HOURS SERVICE – Ring NHS 111

This is for emergencies only. Ring the surgery number 0121 477 7272. Please have a pen and paper to record the telephone number for the Out of Hours service.

EXTENDED ACCESS NOW AT LORDSWOOD HOUSE MEDICAL PRACTICE
54 Lordswood Road, Harborne, B17 9BD

Monday to Friday - 6.30pm to 8.00pm
Saturday - 9.00am to 1.00pm
Sunday - 10.00am to 2.00pm

Appointments must be booked in advance through your GP practice and are available with a range of clinicians including GPs, Nurses and Health care assistants

HOME VISITS - 0121 477 7272
If you can, please request visits before 10am and be prepared to give a few details. We appreciate it very much if you can get to the surgery rather than asking for a visit. If you are unwell, please tell the Receptionist and we will try not to make you wait.

Please note: We cannot carry out home visits outside our Practice area. If you are temporarily outside our Practice area and need a home visit, you will be asked to contact a local surgery to discuss your problem.

TELEPHONE ADVICE
If you need telephone advice from a Doctor the best time to ring is after 12:00 midday.

RESULTS OF TESTS
Please ring 0121 477 7272 between 2.00 - 3pm for the results. You will be able to speak to one of our Staff.

REPEAT PRESCRIPTIONS
If you need regular prescriptions you will be given a repeat prescription computer list, if you don’t have one, please ask for one. For reasons of safety and to avoid errors please put in requests for repeat prescriptions at Reception and not by telephone. They usually take 48 hours, but please ask if you need your prescription more urgently.

SERVICES AVAILABLE
BIRTH CONTROL / CONTRACEPTION

COMPLETELY confidential advice is available for ALL ages from all Doctors at the surgery. No special appointment is needed, except for the fitting of coils. (Please ask the Receptionist)

‘Morning After (emergency) contraception can be supplied. The pill must be taken within 72 hours. The coil must be fitted within 5 days.

N.B. Contraception is also available to patients who are not registered with us.

ANTENATAL CLINIC
Friday morning. Appointments can be made with the Midwife.

DIABETIC CLINIC
Regular sessions run by Dr Ranjit and Dr David Stewart

IMMUNISATIONS
This is a weekly clinic: Tuesday 15:30 – 16:30 for children who attend school & Wednesdays from 9.30 – 11.30am. We advise all children to be vaccinated against common childhood diseases.

For other routine immunisations e.g. Tetanus or for travelling abroad, please make an appointment with a Practice Nurse.

WELL BABY CLINIC
Wednesday 9.30 – 11.30am.

Run by Practice Nurse, Receptionists and a doctor. Includes appointments for developmental checks and immunisations.

CERVICAL SMEARS
This test detects disease of the neck of the womb, including changes that if untreated could lead to cancer. It could save your life. We strongly advise you have the test. If you are unsure when your next smear is due, please ask at Reception. Cervical smears are done in normal surgery by appointment with a Practice Nurse.

ASTHMA/COPD CLINIC
This is a weekly clinic.
